

Horsmonden Autumn Festival Poster Competition

*Free Pick and Mix for the rest of the year
For the creator of the winning design**

All children up to and including age 11 are invited to enter the poster competition for the Horsmonden Autumn Festival.

Please provide a suitable drawing on the other side of this entry form poster that will help us advertise this village event.

The Autumn Festival celebrates our local harvest and the rich history of Horsmonden. This year will include a scarecrow competition on the green, a scarecrow trail in Sprivers, a petting Farm on the green, tasting of our local harvest in The Heath Stores (Apples, beers and wines,) a nostalgia Hopping event in the social club and a hopping display on the green.

All completed drawings will be used as advertising posters and will be put up around the village in September as advertising.

The Heath Stores staff will judge the winning design, which will be enlarged and used as advertising in a number of locations.

*The winner will receive 1 free bag of pick and mix to the value of 50p every week from 1st September 2018 until 31st August 2019

Please return completed posters with your name, age and school class to Heath Stores
Competition closes Monday 14th September 2018.
